FACULTY OF COMPUTER SCIENCE AND ENGINEERING

B.A. STUDIES

- Computer science
- Computer Engineering
- Internet, networks and security
- Information education
- Software Engineering and Information Technologies
- Professional studies in programming
- Applied Information Technologies
- Software Engineering and Information Technologies
- Computer Science
- Computer Engineering
- Internet, networks and security
- Software Engineering and Information Technologies
- Professional studies in programming

M.A. STUDIES

- Data science in computer science and engineering
- Security, Cryptography and Coding
- Bioinformatics

- Education with ICT
- Eco-informatics
- Intelligent Systems
- Internet Technologies and cyber security
- Computer Science
- Cloud Computing
- Software for embedded systems
- Software Engineering
- Statistics and Data Analytics
- IT management
- Security, Cryptography and Coding
- Bioinformatics
- Cloud Computing
- Statistics and Data Analytics
- IT management
- Software Engineering

Ph.D. STUDIES

- Informatics
- Computer Science and Engineering

FACULTY OF MECHANICAL ENGINEERING

B.A. STUDIES

- Production Engineering
- Industrial Engineering and Management
- Material, Processes and Innovations
- Motor Vehicles, Transport and Mechanization
- Thermal and Power Engineering
- Hydraulic Power Engineering
- Energy and Environment
- Automation and System Control
- Mechatronics
- Industrial Design

M.A. STUDIES

- Automation and Fluid Engineering
- Energy and Ecology
- Industrial Design
- LEAN Management
- Materials, Welding and Structural Engineering
- Mechanics and Mechanic Systems
- Mechatronics
- Advanced Manufacturing System and Technology
- Thermal and Power Engineering
- Transport, Mechanization and Logistics

- Motor Vehicles
- Industrial Engineering and Management
- Modeling and simulation of plastic deformation technologies and processes
- Sustainable Energy and Environment
- Product Lifecycle Management
- Management and Quality Control
- Management of Occupational Safety and Health Systems

Ph.D. STUDIES

- Mechanical Engineering
- Industrial Engineering and Management

FACULTY OF ELECTRICAL ENGINEERING AND INFORMATION TECHNOLOGIES

B.A. STUDIES

- Power Engineering, Automation and Renewable Energy Sources
- Power Systems
- Power Engineering and Project Management
- Computer System Engineering, Automation and Robotics
- Computer Technologies and Engineering
- Computer Hardware Engineering and Electronics
- Telecommunication and Information Engineering

M.A. STUDIES

- Renewable Energy Sources
- Electrical Machines and Automation
- Power Systems
- Power Engineering
- Project management
- Automation, Robotics and System Engineering
- Dedicated Computer Systems
- Computer Networks – Internet of Things
- Embedded Systems
- Digital Signal Processing and Multimedia Technologies
- Intelligent Wireless Systems
- Communication and Information Technologies
- Applied Mathematics
- Energy Efficiency, Environment and Sustainable Development
- Metrology and Quality Management
- Micro and Nanotechnologies
- Regulation in Energy, Electronic Communications and Transport
- Power Electronics
- Machine Vision
- Internet and Mobile Services and Applications
- Data Science in Electrical Engineering and Information Technologies

- Biomedical Engineering
- Dedicated Embedded Computer Systems and Internet of Things

Ph.D. STUDIES

- Electrical engineering and information technologies
- Metrology

INSTITUTE OF EARTHQUAKE ENGINEERING AND ENGINEERING SEISMOLOGY

M.A. STUDIES

- Earthquake engineering

Ph.D. STUDIES

- Earthquake engineering

INSTITUTE OF SOCIOLOGICAL, POLITICAL AND JURIDICAL RESEARCH

M.A. STUDIES

- Sociology of social changes
- Political science
- Communication
- Human Resource Management

Ph.D. STUDIES

- Sociology of organization
- Environmental Sociology
- Democracy in an era of globalization
- Communication and media
- Organizational sciences and management

INSTITUTE OF AGRICULTURE

M.A. STUDIES

- Applied viticulture

- Applied oenology
- Sensory analysis
- Research paper
- Professional practice
- Master thesis
- Microbiology with enzymology
- Ampelography
- Chemistry of wine
- Technology of spirits
- Wine technology
- Analysis of wine and spirits
- Organic and biodynamic production of grapes and wine
- Terroir and microclimatic conditions during wine production
- Production practices and quality assessment of organic production
- Soil fertility and fertilization in organic production
- Plant protection in organic and biodynamic production
- Research paper
- Professional practice
- Master thesis
- Organic and biodynamic production of field crops
- Organic and biodynamic production of fruit crops
- Organic and biodynamic production of grapes and wine
- Climatic variability and vulnerability of organic production
- Legislation in organic production
- Quarantine diseases and pests in organic production
- Sustainable management of soil resources
- Agrobiodiversity and management of genetic resources

FACULTY OF DESIGN AND TECHNOLOGIES OF FURNITURE AND INTERIOR

B.A. STUDIES

- Design of furniture and interior
- Furniture and wood engineering

M.A. STUDIES

- Design and technology of furniture and interior

Ph.D. STUDIES

- Design and technology of furniture and interior

FACULTY OF CIVIL ENGINEERING

B.A. STUDIES

- Civil Engineering
- Geodesy and Geoinformatics
- Geotechnical Engineering

M.A. STUDIES

- Civil Engineering, Structures
- Civil Engineering, Transport infrastructure
- Civil Engineering, Hydrotechnics
- Geodesy
- Geotechnical Engineering

Ph.D. STUDIES

- Civil Engineering, modules (subprogrammes)
 - Structure
 - Traffic engineering
 - Hydrotechnics
 - Geotechnics
 - Organization, technology and management in civil Engineering
- Geodesy

FACULTY OF MEDICINE

B.A. STUDIES

- First and second cycle six-year integrated academic studies of General Medicine in Macedonian language
- First and second cycle six-year integrated academic studies of General Medicine in English language
- Four-year academic studies of speech therapists
- Three-year vocational studies for graduate nurses/medical technicians
- Three-year vocational studies for graduate radiological technologists
- Three-year vocational studies for graduate speech therapists
- Three-year vocational studies for graduate physiotherapists
- Three-year vocational studies for graduate obstetricians
- Three-year vocational studies of medical laboratory diagnostic

M.A. STUDIES

Specializations

- Abdominal surgery
- Anesthesiology with intensive care medicine
- Pediatrics
- Vascular surgery
- Gastroenterohepatology
- Gynecology and obstetrics

- Thoracic surgery
- Dermatovenereology
- Child and adolescent psychiatry
- Pediatric surgery
- Endocrinology
- Internal medicine
- Infectiology
- Cardiology
- Cardiac surgery
- Clinical genetics
- Neurology
- Neurosurgery
- Nephrology
- Oncology and radiotherapy
- General surgery
- Orthopaedics
- Otorhinolaryngology
- Ophthalmology
- Plastic and reconstructive surgery
- Psychiatry
- Pulmonology and allergology
- Radiology
- Rheumatology
- Family medicine
- Transfusion medicine
- Traumatology
- Emergency medicine
- Urological surgery
- Physical medicine and rehabilitation
- Hematology
- Epidemiology
- Immunology
- Clinical pharmacology
- Labor medicine
- Medical biochemistry
- Medical microbiology with parasitology
- Nuclear medicine
- Pathology
- Social medicine and public health
- Sports medicine
- Forensic medicine
- Hygiene and health ecology
- Clinical laboratory genetics
- Medical genetics and molecular biology
- Medical psychology
- Medical nuclear physics

Supspecializations

- Audiology
- Addictions
- Child and adolescent psychiatry

- Pediatric cardiac surgery
- Pediatric neurology
- Diabetology
- Immunology
- Clinical toxicology
- Clinical pharmacotherapy
- Medical cosmetology
- Neurophysiology
- Neonatology
- Emergency radiology
- Surgical gynecologic oncology
- Child and adolescent gynecology
- Perinatology
- Psychotherapy
- Social psychiatry
- Forensic psychiatry
- Traumatology
- Thoracic surgery
- Plastic and reconstructive surgery
- Vascular surgery
- Neuroradiology
- Thoracic radiodiagnosis
- Pediatric radiodiagnosis
- Osteoarticular radiodiagnosis
- Digestive radiodiagnosis
- Urological radiodiagnosis
- Gynecologic and mammary radiodiagnosis
- Pediatric nephrology
- Pediatric gastroenterohepatology
- Pediatric cardiology
- Pediatric hematology and oncology
- Pediatric pulmonology
- Pediatric anesthesiology
- Urogynecology
- Rheumatology
- Endocrinology
- Cardiology
- Pulmonology and allergology
- Nephrology
- Gastroenterohepatology
- Hematology
- Digestive surgery
- Intensive care of critically ill patients
- Geriatric medicine

Academic studies

- Second cycle two-years academic studies of public health

Vocational studies

- Second cycle one-year vocational specialist studies of clinical speech therapy

- Second cycle one-year vocational specialist studies of physiotherapy in orthopaedics and surgery
- Second cycle one-year vocational specialist studies of physiotherapy of neurology
- Second cycle one-year vocational specialist studies for a medical nurse/technician - specialist of anesthesiology and reanimation
- Second cycle one-year vocational specialist studies for a medical nurse/technician – specialist of intensive health care
- Second cycle one-year vocational specialist studies for instrument (scrub) nurse

Ph.D. STUDIES

- Basic medicine
- Clinical medicine
- Molecular medicine
- Public health
- Medical physics

FACULTY OF DRAMATIC ARTS

B.A. STUDIES

- Drama Actors
- Dramaturgy
- Production
- Theatre Directing
- Film and TV Editing
- Film and TV Directing
- Cinematography

M.A. STUDIES

- Drama Actors
- Dramaturgy
- Film and TV Scenario
- Production
- Theatre Directing
- Film and TV Editing
- Film and TV Directing
- Cinematography
- Theatrology

Ph.D. STUDIES

- Performing and Audiovisual Arts

FACULTY OF FINE ARTS

B.A. STUDIES

- Painting and Transmedia Practices
- Sculpture and Transmedia Practices
- Printmaking/Graphic Arts and Transmedia Practices
- Art Education

M.A. STUDIES

- Painting
- Sculpture
- Printmaking

INSTITUTE OF ANIMAL AND FISHERY SCIENCE

M.A. STUDIES

- Zootechnics

Ph.D. STUDIES

- Zootechnics and agromanagement
- Fishery

FACULTY OF NATURAL SCIENCES AND MATHEMATICS

B.A. STUDIES

- Biochemistry and physiology
- Biology - teaching staff for secondary education
- Ecology
- Ecology and environment
- Nutritionism
- Molecular biology with genetics
- Teaching geography
- Geography - module geographic information systems
- Physical geography with geoecology
- Tourism
- Geography - module demography
- Ethnology and Anthropology
- Cultural Heritage Protection Management
- Mathematics Education

- Mathematics
- Actuarial and Financial Mathematics
- Applied Mathematics
- Mathematics and Informatics Education for Primary School
- Physics education
- Applied physics
- Theoretical physics
- Medical physics
- Astronomy and astrophysics
- Geophysics and meteorology
- Teaching chemistry
- Applied chemistry
- Applied Chemistry: Analytical biochemistry
- Mathematics and Physics Education for Primary School
- Biology – Chemistry

M.A. STUDIES

- Education in biology teaching
- Ecology
- Biosystematics
- Biochemistry and physiology
- Molecular Biology
- Genetics
- Biology – microbiology
- Forensic biology
- Cartography and geographic information systems
- Geography
- Tourism (one year studies)
- Tourism (two year studies)
- Spatial planning
- Ethnology and Anthropology
- Mathematical Sciences and Applications
- Mathematical Education in Primary and Secondary School
- Applied Mathematics - Mathematical Modeling and Optimization
- Applied Mathematics - Mathematical Statistics, Actuarial Mathematics and Mathematical Modeling in Economy
- Physics - Solar energy
- Theoretical physics
- Applied physics
- Physics teaching methodology
- Medical physics
- Astronomy and astrophysics
- Geophysics
- Chemistry

Ph.D. STUDIES

- Biology - Biochemistry and physiology
- Biology - Molecular biology
- Biology – Ecology
- Biology – Taxonomy

- Geography
- Ethnology and Anthropology
- Mathematical Sciences and Applications
- Physics
- Chemistry

**"HANS EM" FACULTY OF FOREST SCIENCES, LANDSCAPE
ARCHITECTURE AND ENVIRONMENTAL ENGINEERING**

B.A. STUDIES

- Forestry
- Landscape Architecture
- Ecoengineering and Management

M.A. STUDIES

- Forestry
- Landscaping and Improvement of the Environment

ST. KLIMENT OHRIDSKI FACULTY OF PEDAGOGY

B.A. STUDIES

- Bachelor Teacher of Primary Education
- Bachelor Teacher of Preschool Education
- Bachelor of Library Science

M.A. STUDIES

- Master of Primary Education
- Master of Preschool Education
- Master in Library Science

Ph.D. STUDIES

- PhD in Education of Teachers
- PhD in Early Childhood Education

FACULTY OF ARCHITECTURE

B.A. STUDIES

- Undergraduate studies in Architecture

M.A. STUDIES

- Graduate studies in Architecture

Ph.D. STUDIES

- Doctoral studies in Architecture and Urbanism
